

the little boy	go to bed
old and new	play with him
a good boy	yes and no
in and out	to go home
not up here	a nice day
good for you	here and there
with his cat	any good book
work on it	my little house
can come here	when they come
they will go	up and down
are so long	had a hat

he is it	I can go
at home again	her left hand
upon a time	two books each
the first one	was her name
a tall girl	please come to
look at that	where it was
is my mother	at last a
into my room	tall red hat
on the back	to look pretty
may come to	that was left
he let us	five blue balls

turn right at	sure am happy
these big chairs	most of all
my own bed	kind and good
go ask her	along the way
a yellow box	sat on the chair
jump the wall	I hope you
go fly high	the black hat
I like brown	as for myself
gave a present	eight little ducks
his sister went	would you sing
dress the baby	yes it is
